

# Superhero school bag with matching gym bag

Instructions No. 1632

Difficulty: Advanced 

Working time: **45 Minutes**

**School enrolment** is an exciting day, not only for the **schoolchild** but for the whole **family**. The time until this **special day** can be made even more beautiful with many of our **craft ideas**. And the schoolchild will be very happy about a **superhero school bag with** a matching gym bag .

## Tinkering with the superheroes School gift bag

Cut the [Craft cardboard sheet](#) so that you can roll it into a cone. Glue the bag together with [double-sided Adhesive tape](#)

The [Crêpepaper](#) place around the top of the cone, cut off and also attach to the school bag with double-sided Adhesive tape .

From the [Foam sheets](#) cut out the face, the mask, an oval and the belt, paint [the](#) face with markers and stick it [on the](#) school bag using [hot glue](#) .

# Designing a superhero gym bag

Print the Superhero **design template** mirror-inverted using a **laser printer**

**Transfer the** template to the gym bag with the **transfer Marker** . To do this, place the printout with the printed side down on the bag and coat the Paper with the transfer Marker.

With a **folding leg** or something similar the Paper and thus also the color printout is pressed firmly. Afterwards pull off photo or printout - ready!

Now the superhero can be coloured according to your wishes. For this the motive with **Textile pencils** or **Fabric paint**, allow to dry and iron.
