Surfbretter Garderobe

Instructions No. 1600

Difficulty: Advanced

Working time: 1 hour

Design an individual **Cloakroom rails** in the **surf look**! Totally hip and original. With this **eye-catcher** , it's almost too bad to hang your jackets on it.

First prime the decorative signs with white Handicraft paint.

Shield 1

Paint the sign with **Handicraft paint** in Old Pink . Mark the stripes and glue them with **crepe-Adhesive tape** to get clean color edges. Now you can paint the stripes with Handicraft paint , here we have May green and Orange taken. With a **white Marker** the **writing, in** our example "Surfing", **is** now written on the sign. With white Handicraft paint , the flowers will be displayed using a **Stencil** stencilled on Cloakroom rails . So that the Stencil does not slip so easily, first spray the Stencil with **temporary spray adhesive** and can therefore easily position Stencil .

Shield 2:

Draw **waves** on the lower half of the shield. Now draw the sign up to the waves with turquoise **Handicraft paint** and paint the waves white. In our example we have highlighted the contours of the waves and the coat rack with may green Handicraft paint . With **markers** in Orange, White and Yellow we have written **"Aloha** " on the sign.

Shield 3:

Cut a **Napkin** now remove the two unprinted layers of Napkin and place the motif on the sign as you wish. Now **fix** the Napkin with **Napkin varnish** on the surface. Spread the varnish evenly over the sign, as it dries silky-matt and then you can see an overall shiny surface. In our example we painted the outer edge and the coat rack with yellow paint as an eye-catcher.
