Difficulty: Beginner 

Working time: **30 Minutes**

Embellish your T-shirts or other **clothing and** accessories with the popular **Napkin technique**. Very easy to implement and very decorative.

Cut **out** the desired motifs of **your Napkin** and remove the two unprinted layers of the napkin motifs.

Now you can place your motifs on your garment

This is especially easy if you **spray** the motifs with **temporary spray glue** beforehand. So nothing can slip anymore.
