Tischdeko im trendigen Greenery Style

Instructions No. 1588

Difficulty: Beginner

Greenery is the new trend!

The trend colour yellowish-green is perfect for your table decoration. With beautiful leaves and leaf green you can easily and impressively set vases in scene.

In combination with wood and simple as well as tropical decorations, you can decorate the green tone excellently in your house and the green looks fresh and is a focal point in your home.

Designing a tray

First prime the tray with white Acrylic paint. Then you can decorate the tray with gold and light blue paint. In our example, we applied the light blue colour to the outside of the side walls and the golden colour once on the outer edge as an eye-catcher. Our Handicraft paint

Now remove the two unprinted layers of Napkin and place the design in the middle of your tray. Now fix the Napkin with Napkin varnish on the surface. Spread the

varnish evenly on the tray, as it dries silky-matt and then you can see an overall shiny surface.

Decorate bottles with Inca Gold

Decorate the bottles with Inca Gold, by applying it to the bottom of the bottle with a Paint sponge . Repeat this for a better colour effect.
Now you can decorate the bottles as you like with leaves and flowers. The bottles look especially harmonious if you decorate one leaf and two different ones in the next bottle.
