

# Wellness box with homemade soap design

Instructions No. 1657

Difficulty: Advanced 

Working time: 1 hour

Are you looking for a great gift idea? This wellness box with homemade wonderfully fragrant soaps and bath balls certainly has that special something. Already the production of the soaps and bath balls contributes to relaxation..

## Coloured Bath salts

Shuffle [Bath salts](#) with Soap colour in Lavender and Orange. This can be additionally provided with Lavender-fragrant flowers. So that the Bath salts smells particularly well, you add still some [soap smell oil](#).

Then simply [fill](#) into a small bottle ,\_decorate it with a hemp cord and a personal label.

## Bath ball forming

Mix the [bath balls](#) according to the product instructions. Divide this mixture and stir at Soap colour . With the help of the bath ball former you can safely model a round shape

Form the balls by hand, use the bath ball former as a size measure first, put the hand formed balls into the bath ball former, [shake](#) the form slightly. This will make the balls even rounder, and the mixed mass will not stick to the mould. Finally, decorate the bath balls with rose petals and lavender flowers.

## Pouring soap bars

Select a soap casting mould. Lay them out with a [relief inlay](#) or paint your own decorations into the mould with a soap contour liner. Heat your basic casting soap at max. 60 °C, mix the liquid soap with skin-caring additives, Soap colour or scented oils. Pour the soap into the mould. Once the mass has cooled and solidified, the soap can be squeezed out of the mould

**Decorate** the soap bars with some Paper, natural bast and a small flower.

*This makes Bath salts and soap especially beautiful:*

According to personal taste, salt, bath ball or soap can be spiced up with a skin care agent or Soap additive further

Soap colour, -scented oils, soap lather concentrate or aloe vera gel meet the dermatological requirements of the German Cosmetic Decree and are ecologically degradable.

## **Wellness box for the soap treasures tinker**

For the box a cardboard box with [Motif straw silk](#) ornamented. Cut out wellness motifs from Straw silk paper . Coat the box with Napkin varnish and apply the motifs over the entire surface with a brush.

Place the box with [Flower arrangement foam](#) from, cover it with Straw silk paper. Arrange all bath balls and soap treasures on it, possibly decorate it with a decoration branch further

Close the wellness box and provide it with a pretty gift ribbon.
