## ANLEITUNG

### BASIC PATTERN

**Basic pattern:** stockinette stitch in rounds

### INSTRUCTIONS

Using a crocheted provisional cast-on (chain st), cast on 64 st.

To do so, first crochet approx. 70 chain st using a contrasting-colored yarn.

Turn the chain over and using the original yarn, pick up 64 st from the bumps at the center back of the crocheted chain. Divide the st over 4 double-pointed needles (16 st per needle).

Work 40 Rd in stockinette st.

Unravel the provisional cast-on (crocheted chain) and pick up the live st on another set of double-pointed needles or a circular needle.

In the next round, work the st of the hat together with the st from the cast-on edge: for every new st, work one st each from the double-pointed needles and the circular needle.

Then work 25 Rds more in stockinette st.

Now begin the decrease rounds.

In every other Rd, k the first 2 st on each needle together; work the last 2 st on each needle as skp.

Repeat this decrease until only 8 st remain.

Cut the yarn and draw it through the remaining st; pull snugly.

### FINISHING

Wrap a pompom with the remaining yarn and the Pick & Pom and attach it to the hat
