Transparentsterne falten

Anleitung Nr. 2893

Schwierigkeitsgrad: Einsteiger

Arbeitszeit: 2 Stunden

Die Weihnachtzeit ist die perfekte Zeit zum **Falten von Sternen**. Mit unserer Schritt-für-Schritt-Anleitung kannst du ganz einfach diese bezaubernden Sterne aus **Transparentpapier** basteln und danach nach Herzenslust dekorieren. Wunderschön an Fenstern und als Raumhänger.

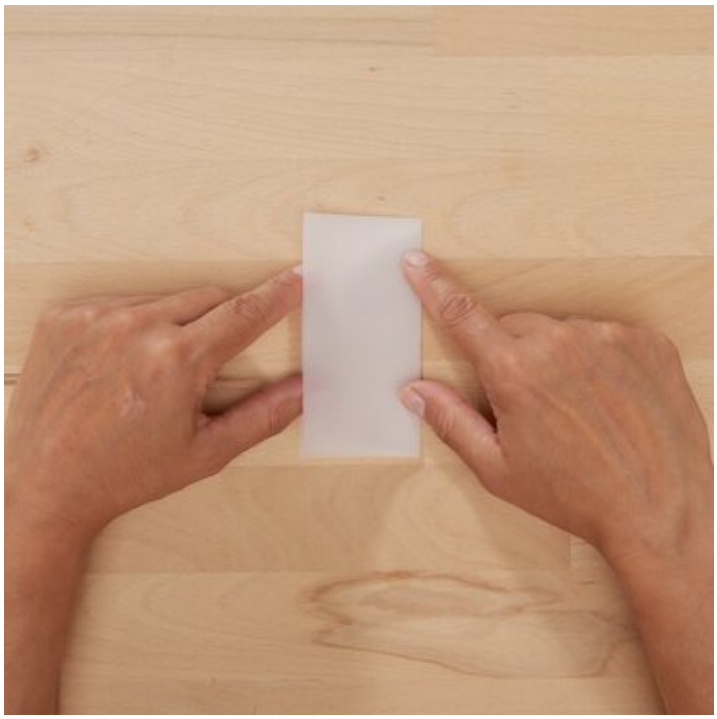

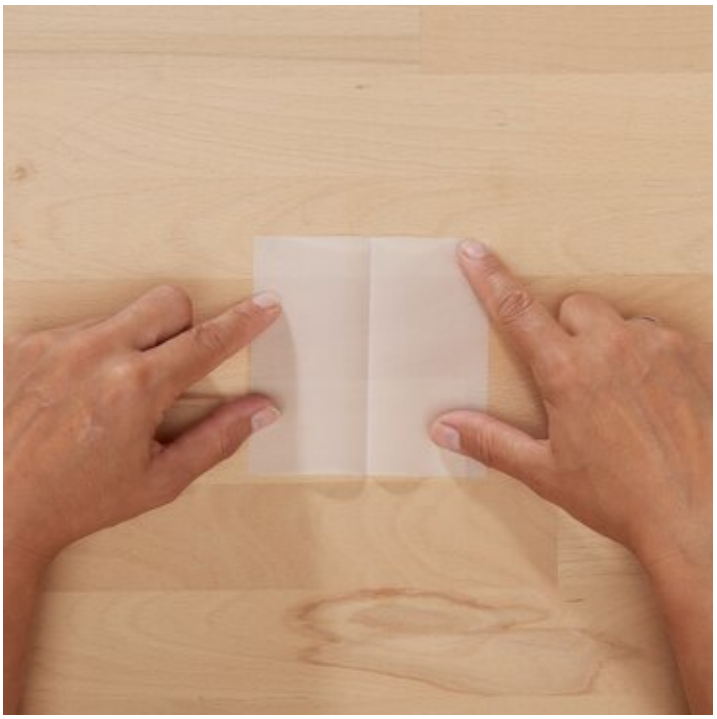

So werden die schönen Sterne gebastelt:

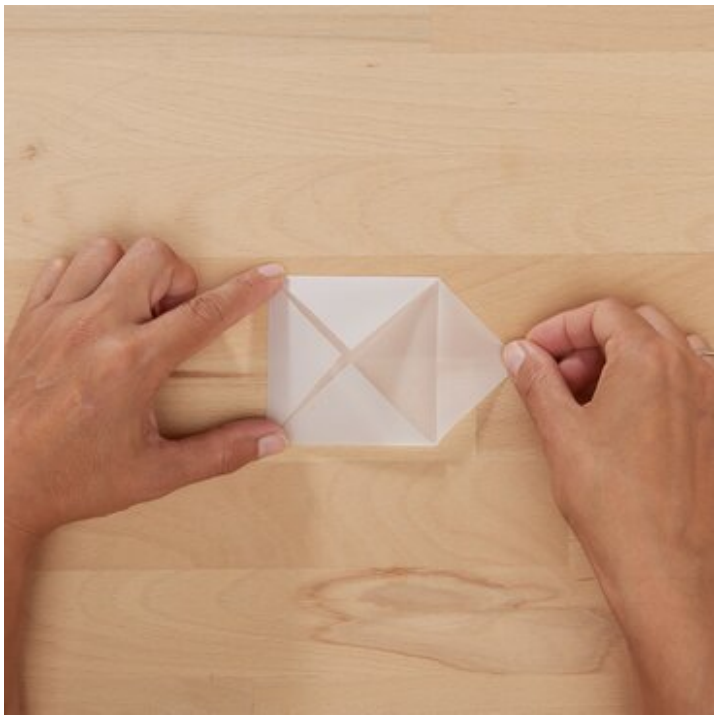

Faltanleitungen für die verschiedenen Transparentsterne:

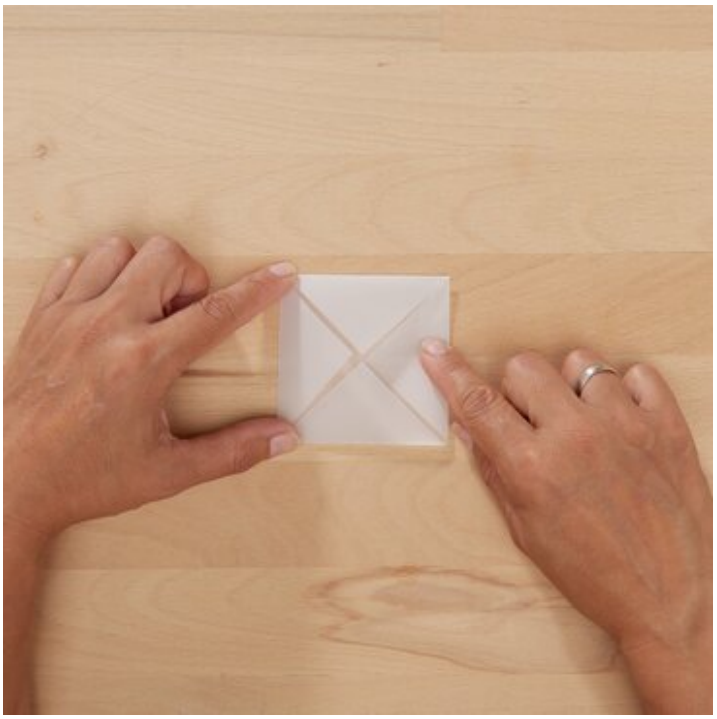

Lege dir das passende Papier zurecht und befolge unsere Schritt-für Schritt-Anleitung:

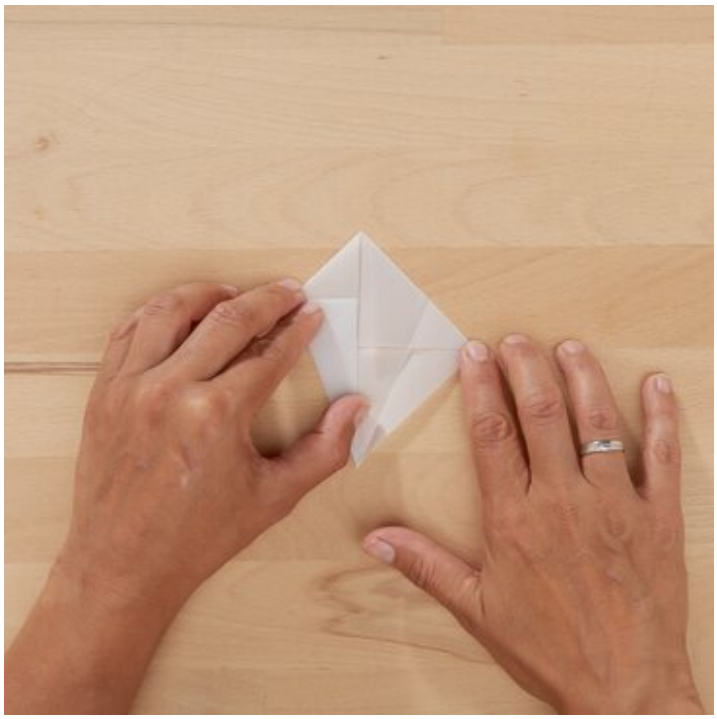

Stern Variante 1 "Klein" aus den 10 x 10 cm Papieren:

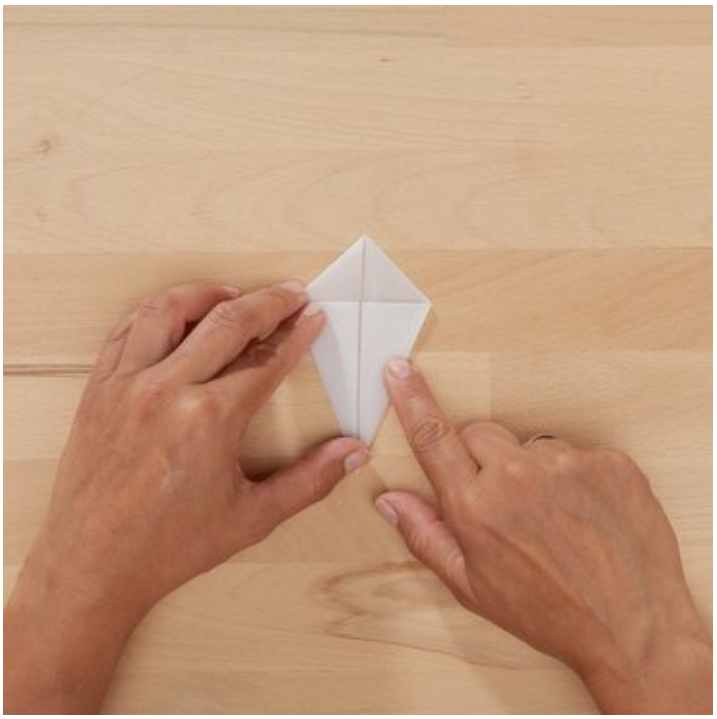

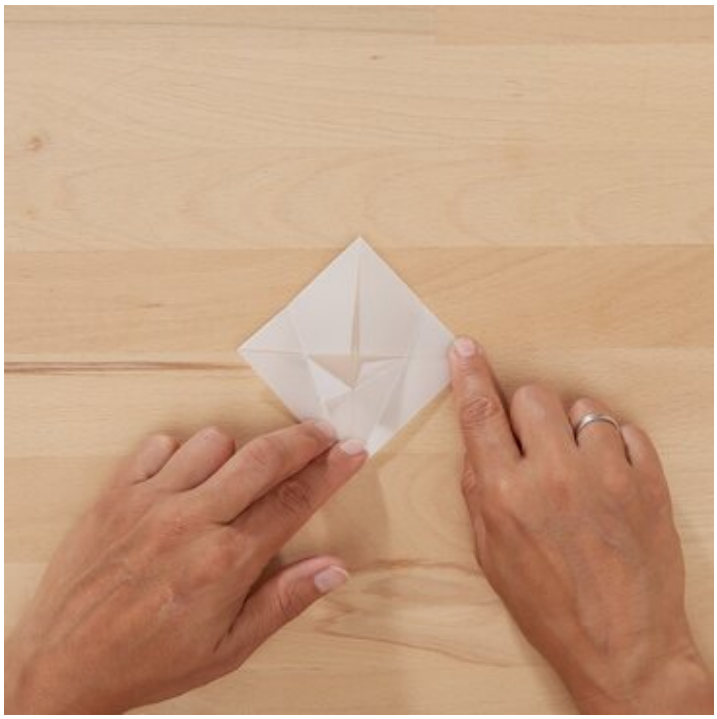

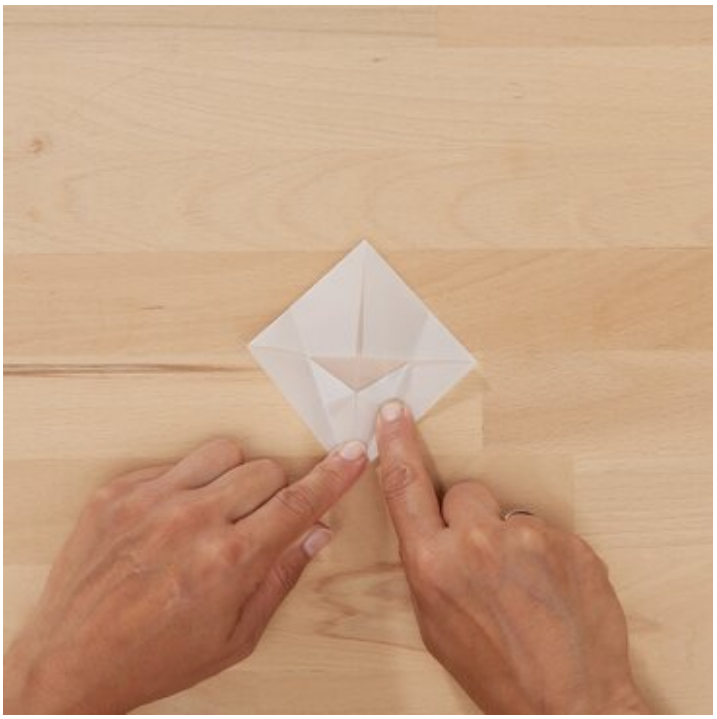

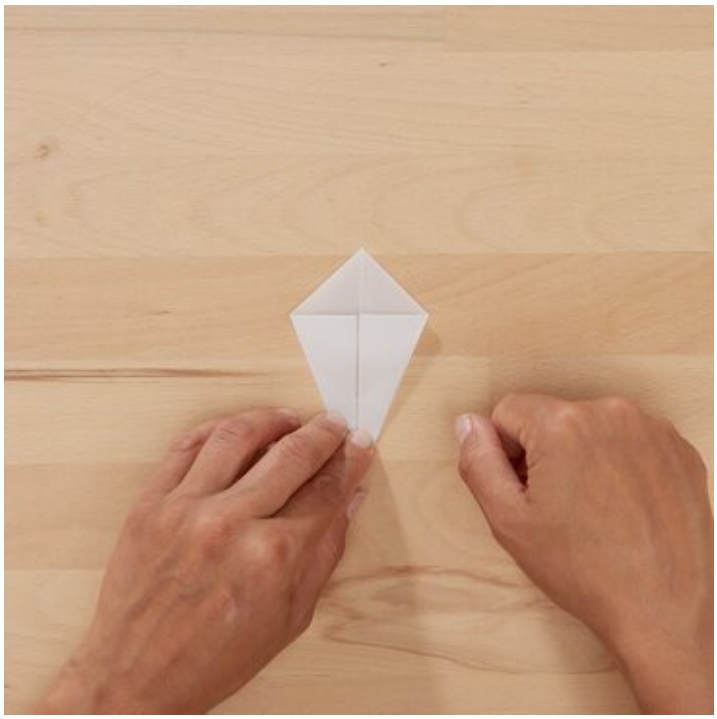

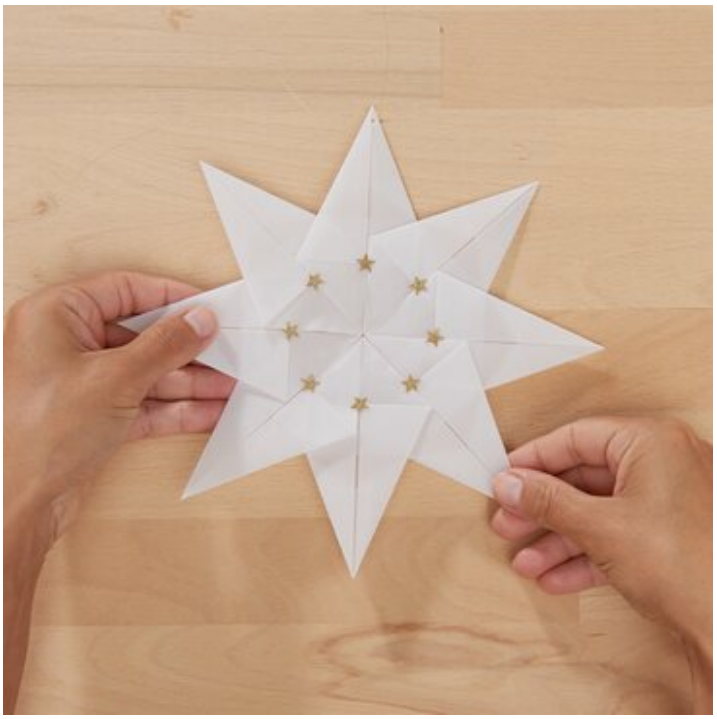

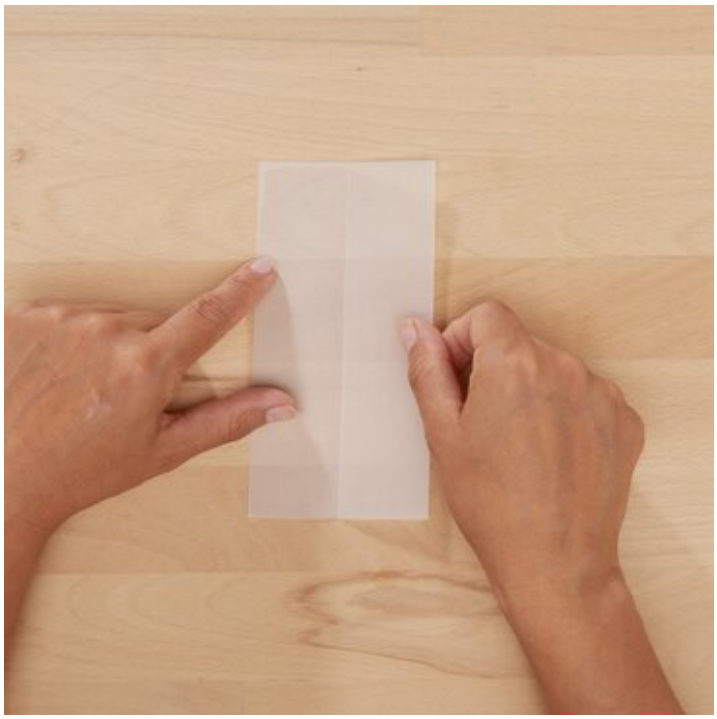

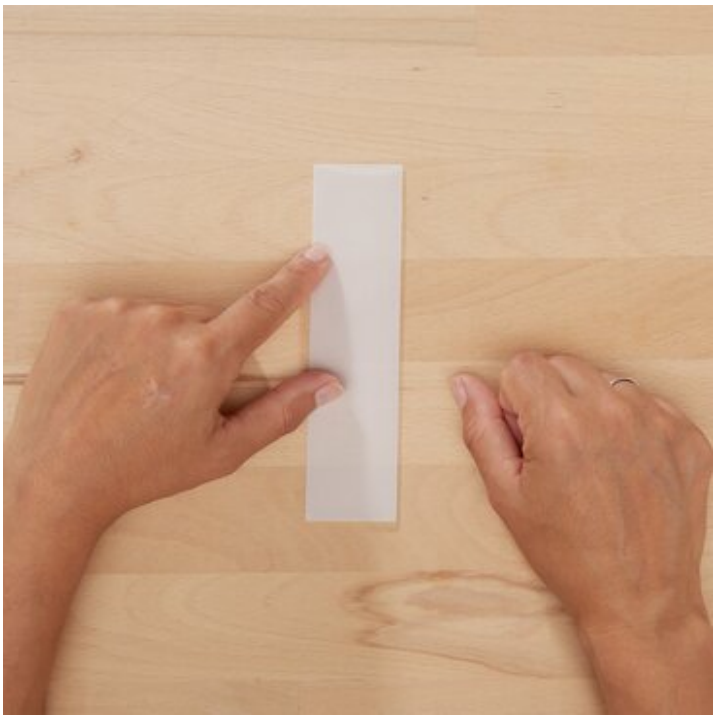

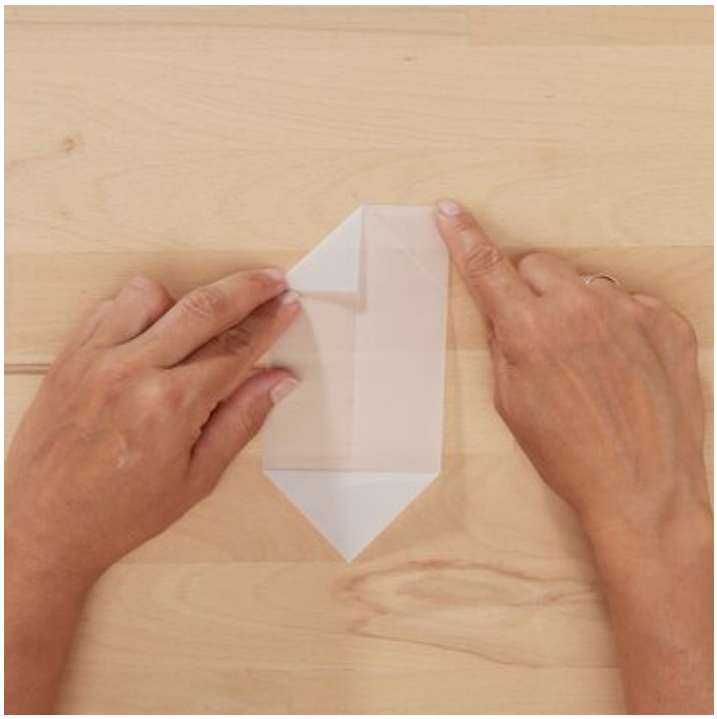

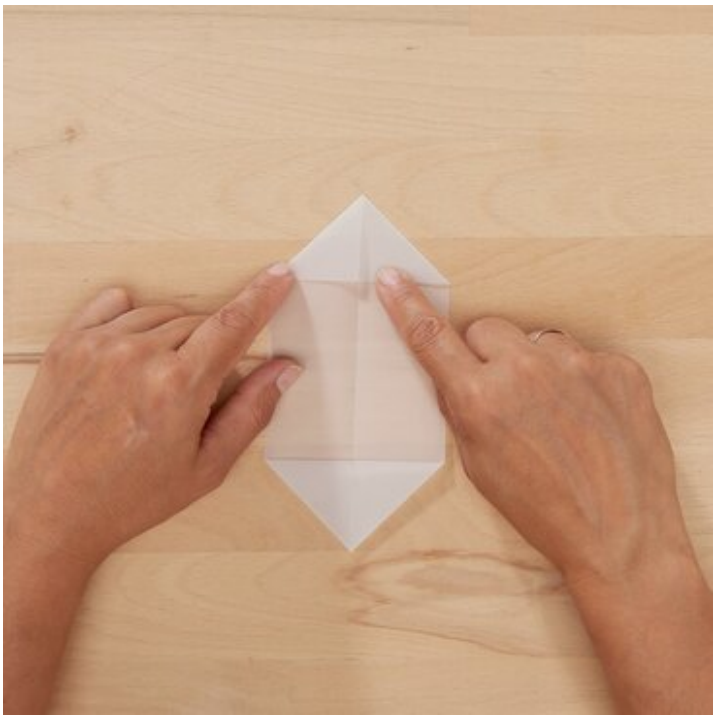

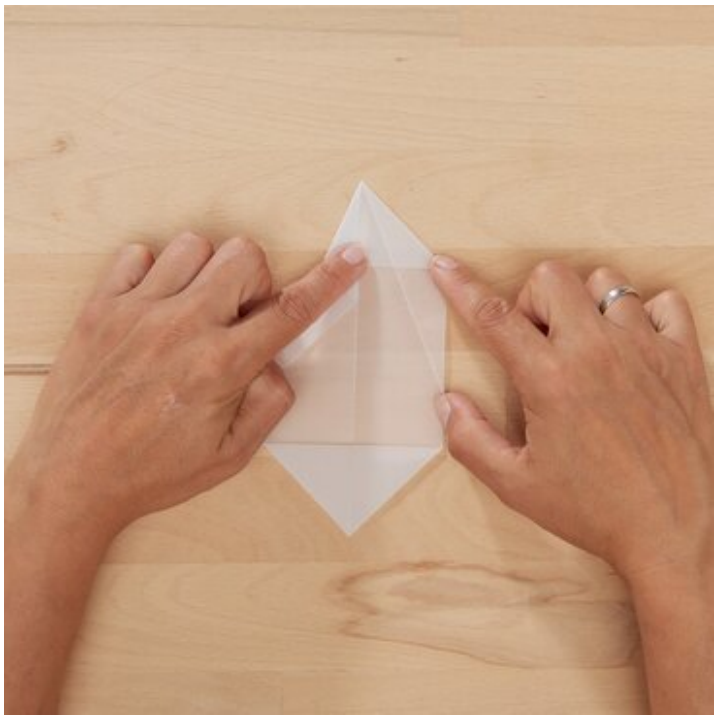

Stern Variante 2 "Mittel" aus den 7,5 x 15 cm Papieren:

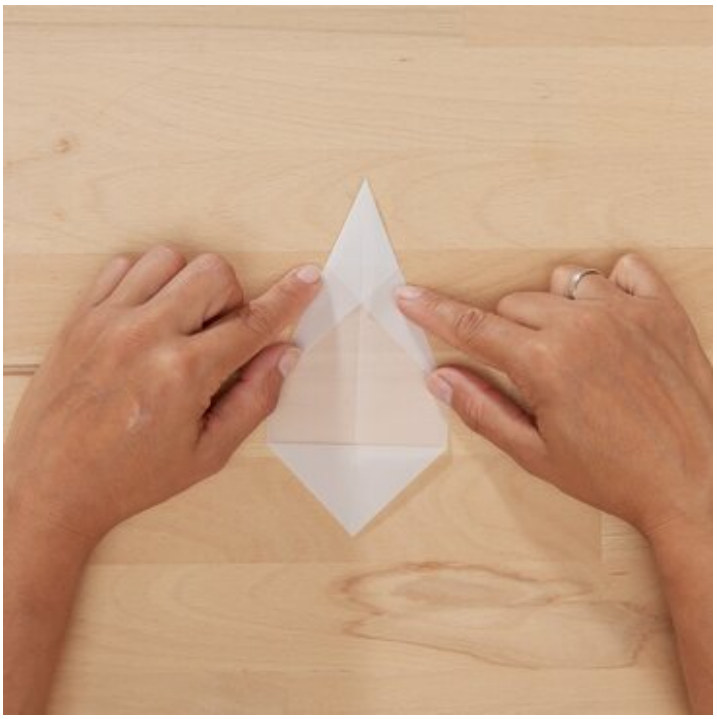

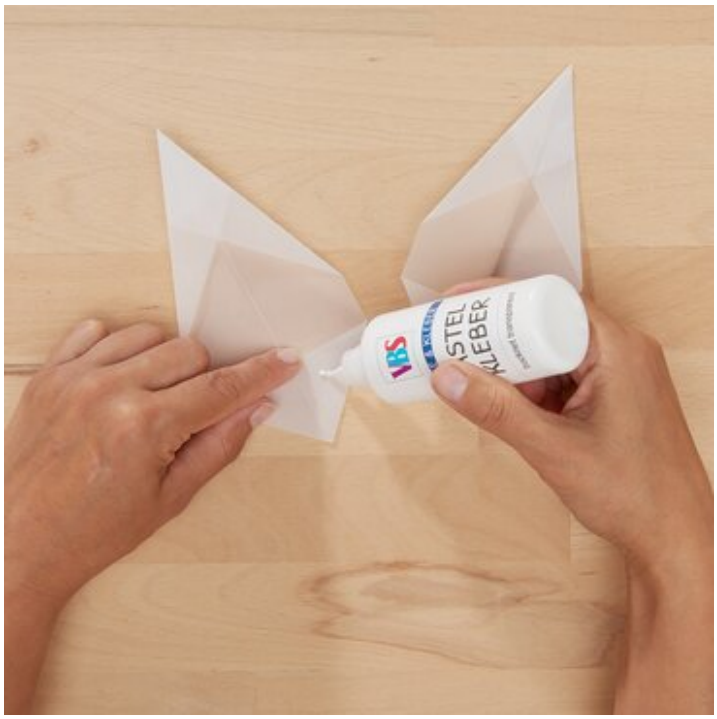

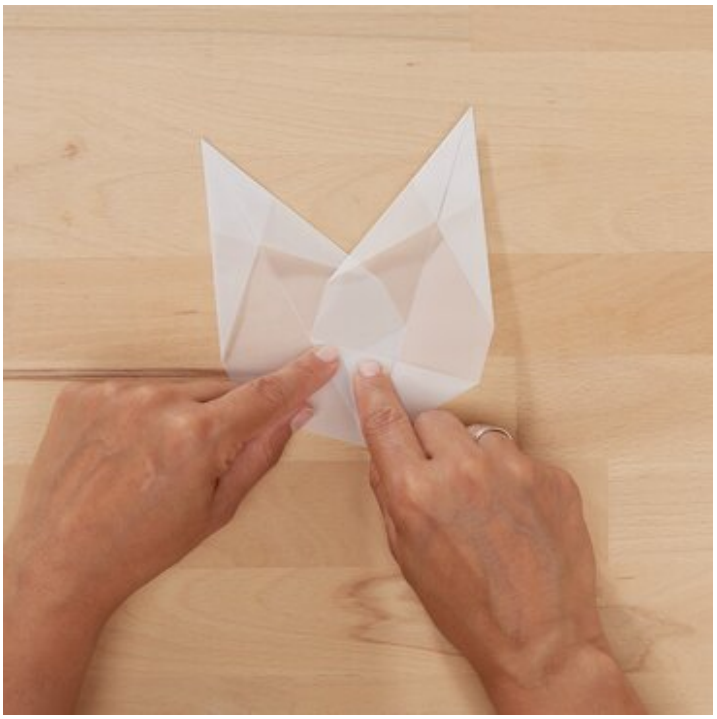

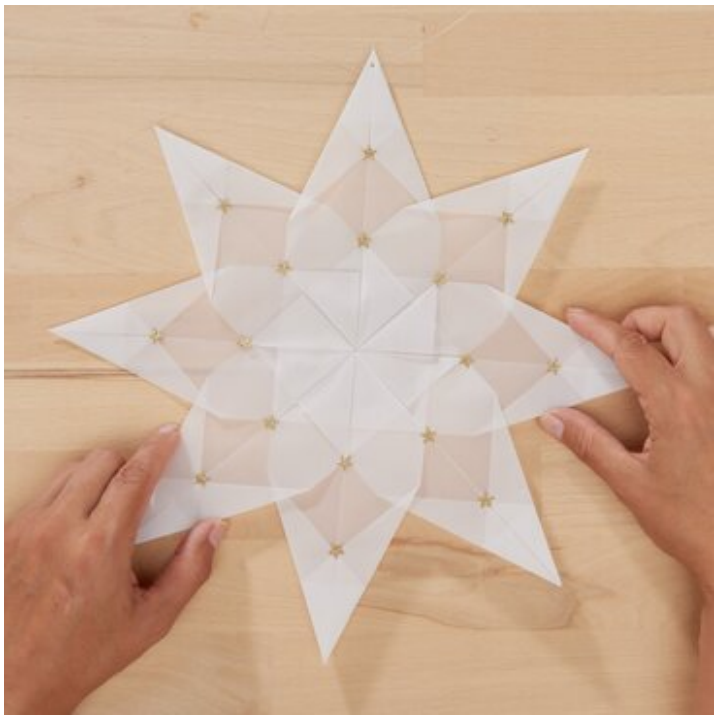

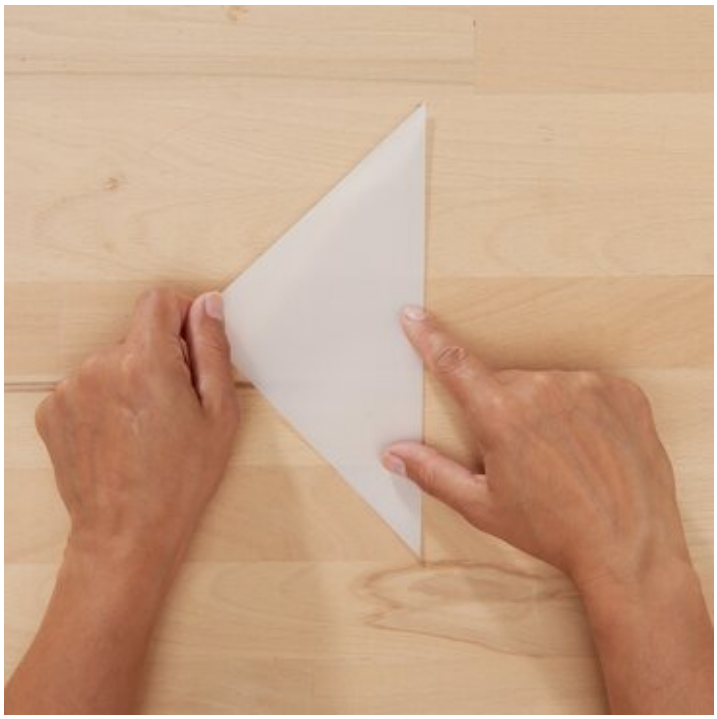

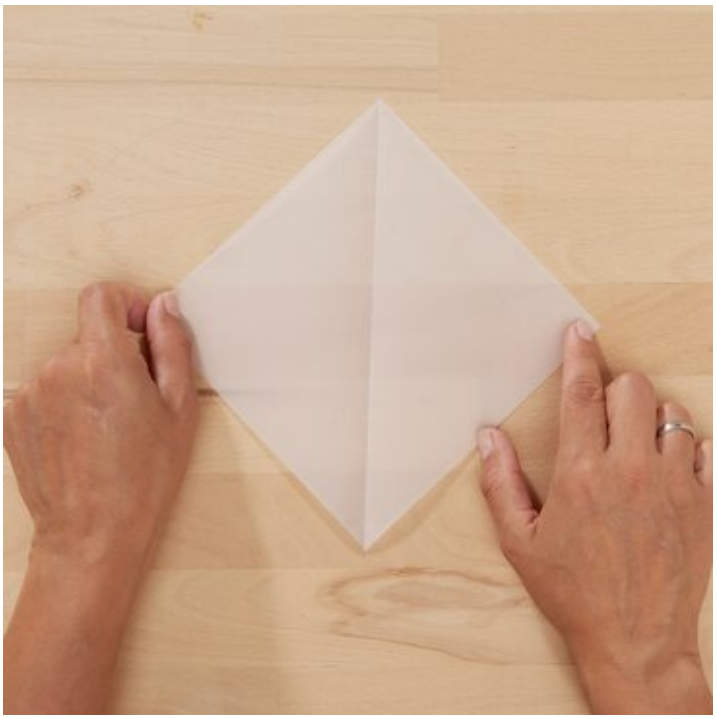

VBS

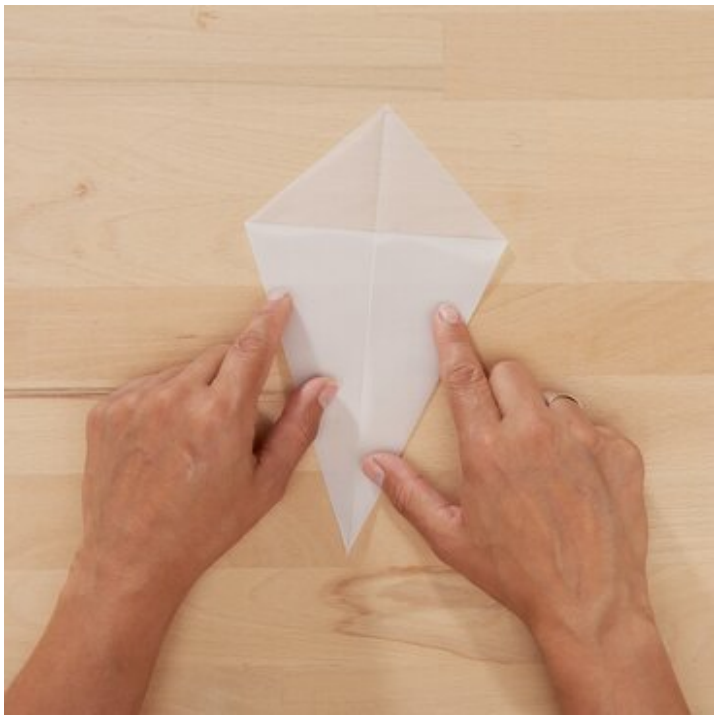

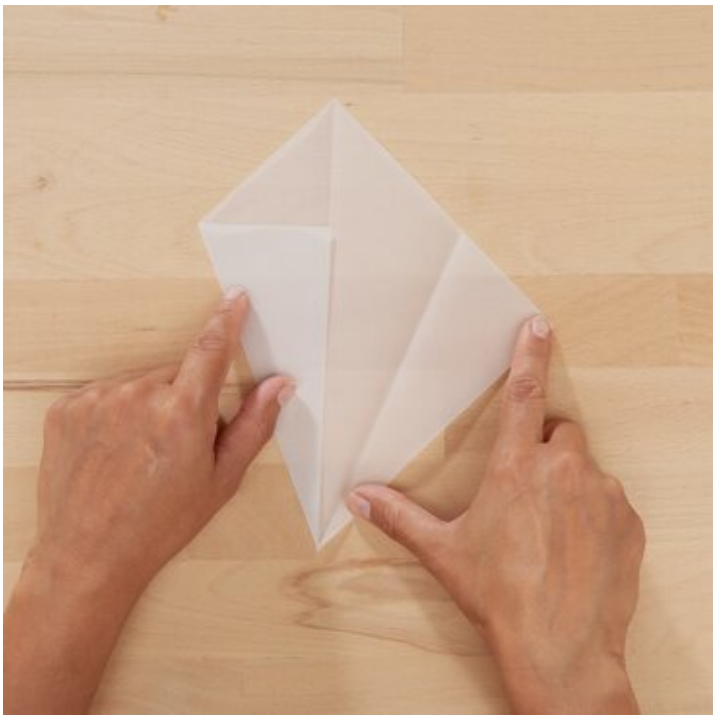

Stern Variante 3 "Groß" mit kleinem Stern obendrauf aus den 15 x 15 cm und 10 x 10 cm Papieren:

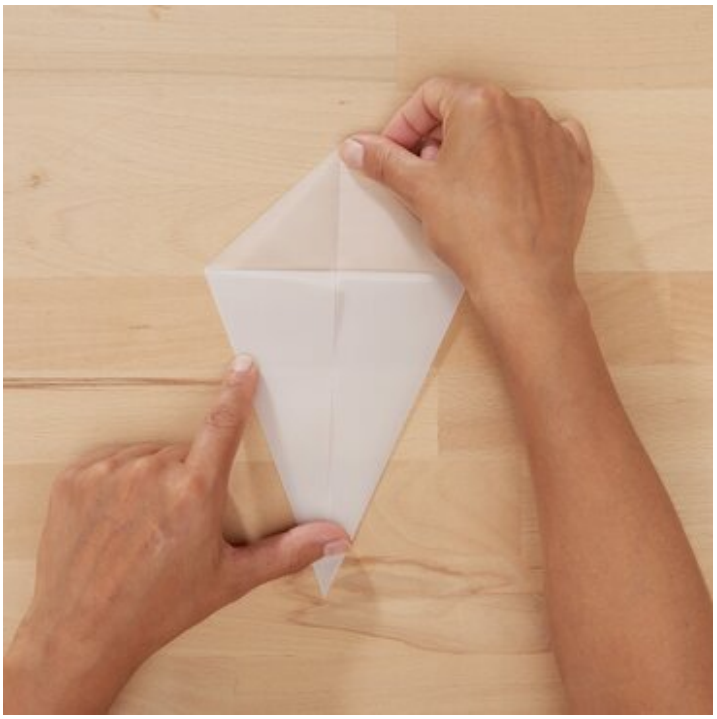

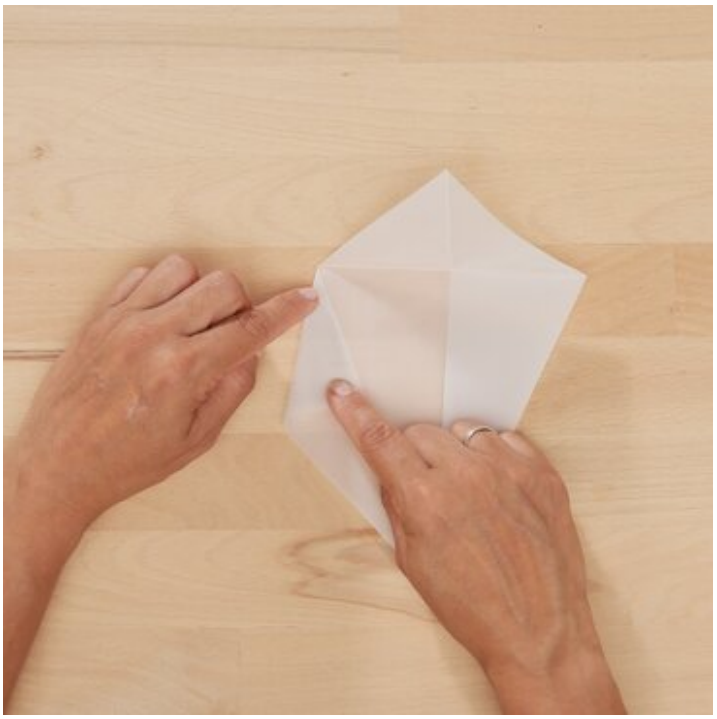

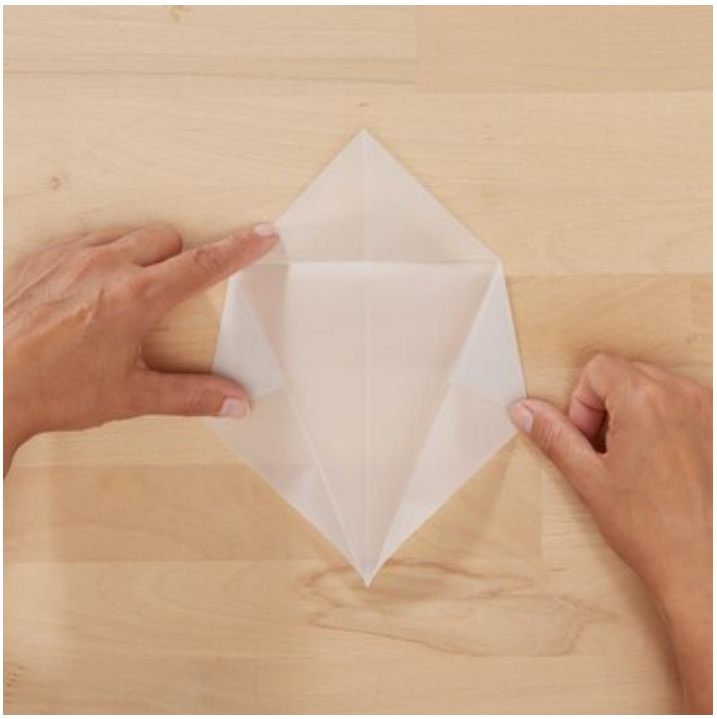

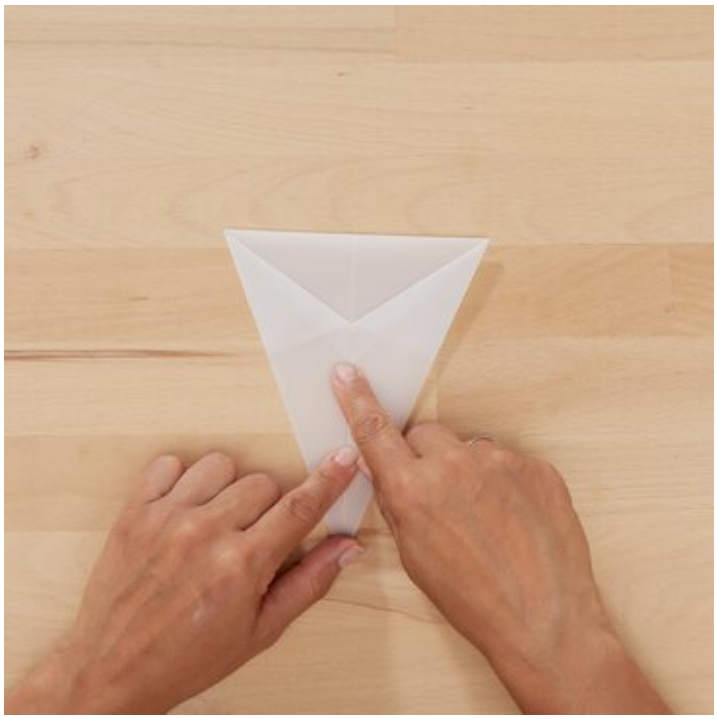

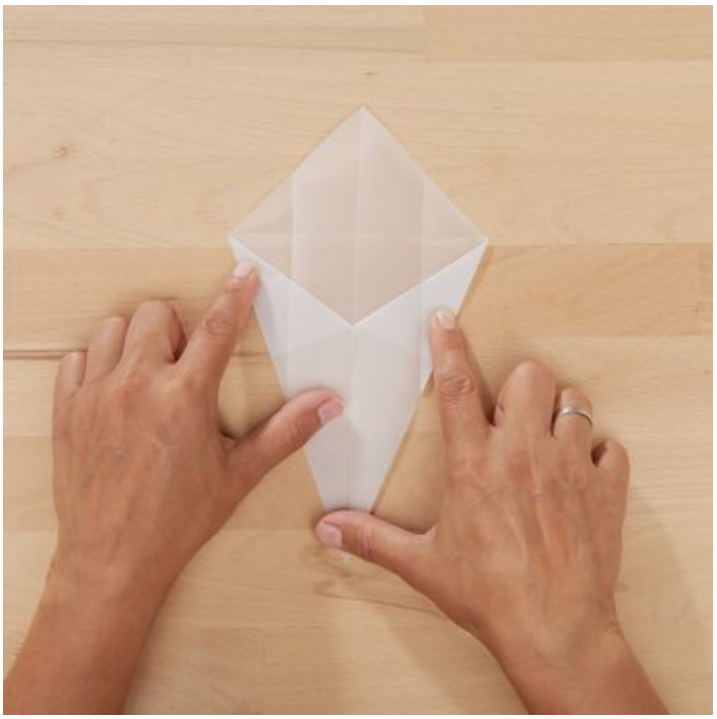

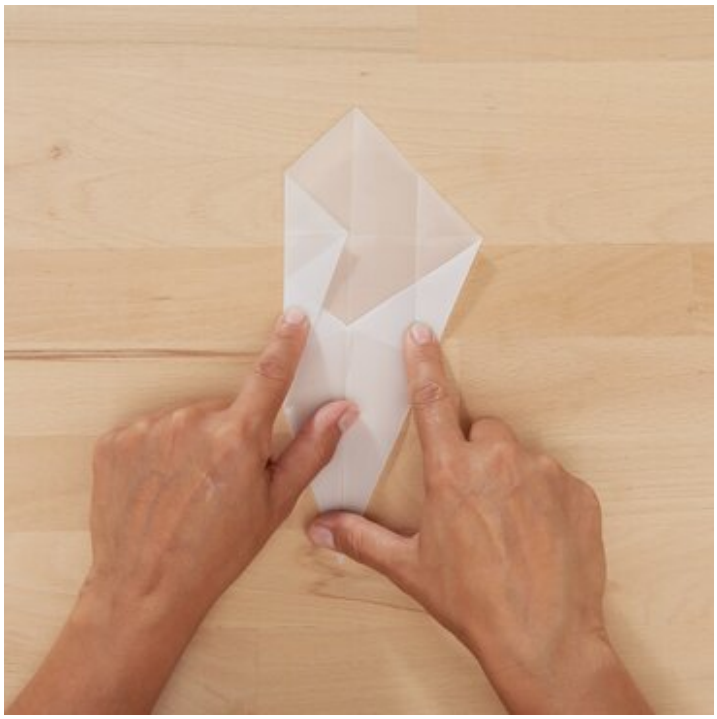

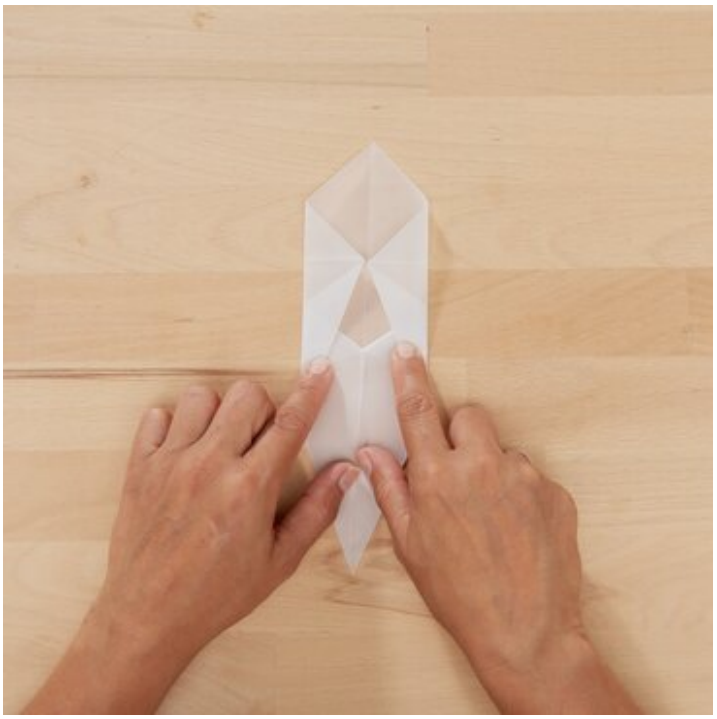

Nachdem du den großen Stern gefaltet und zuammengesteckt hast, haben wir einen weiteren kleineren Stern gefaltet und dann auf den großen Stern geklebt.

Verzierung und Aufhängung:

Die fertigen Sterne mit den Stickern verzieren. Für die Aufhängung mit dem Lochstanzer ein Loch stanzen und den Perlonfaden durchziehen.
